

IndiGo Airlines - Brazil Simulator Assessments

Exceptional opportunity for out of currency A320 captains

Taking delivery of seven A320s per month with over 400 on order, IndiGo Airlines offers one of the best financial packages and fairest expat pilot employment contracts outside of China.

Currently accepting candidates up to the age of 62, offering an excellent opportunity to continue flying until 65. Additionally, IndiGo accepts captains who have not flown the A320 within the last 30 months. Recurrent training will be provided by IndiGo to accepted candidates (subject to a training bond).

IndiGo will be conducting simulator assessments in **Sao Paulo, Brazil** in **June 2019** (dates to be confirmed) at the CAE Training Center. Both current and non-current A320 captains are invited to attend.

IndiGo Airlines offers one of the best A320 financial packages outside of China

The figures provided include salary, all bonuses and allowances averaged over four years. Before tax (Gross) figures are for illustrative and comparative purposes only. Full taxes are paid in India and come under bilateral taxation treaties between India and the candidate's country of residence avoiding double taxation.
