

## IndiGo Airlines - Brazil Simulator Assessments

With an order of 35 ATR72-600's, IndiGo Airlines is highly motivated to recruit a significant number of specialized ATR72 Captains. IndiGo is actively recruiting ATR72 foreign Captains, Line Training Captains, TRIs and TREs. IndiGo recognizes the value and expertise that foreign pilots add to their team.

Currently accepting candidates up to the age of 62, offering an excellent opportunity to continue flying until 65.

IndiGo will be conducting simulator assessments in **Sao Paulo, Brazil** in **June 2019** (dates to be confirmed) at the CAE Training Center.

### IndiGo Airlines offers one of the best ATR72 financial packages on the market

The figures provided include salary, all bonuses and allowances averaged over four years. Before tax (Gross) figures are for illustrative and comparative purposes only. Full taxes are paid in India and come under bilateral taxation treaties between India and the candidate's country of residence avoiding double taxation.

Position	Annual (US\$) (Gross)	Annual (US\$) (Net)	Monthly (US\$) (Net)
Line Captain	234,800	152,600	12,700
Line Training Captain	245,900	159,800	13,300
TRI	253,700	164,900	13,700
TRE	261,800	169,900	14,100

\* Rotation for all positions is 8 weeks on / 3 weeks off

\* IndiGo offers a renewable three year contract subject to DGCA approval.

\* The IndiGo Airlines pilot contract offers exclusive options not present in competing contracts.

### Technical Requirements

- ICAO ATPL & Class 1 medical certificate with ATR72 command type rating
- 3,000+ hours total time
- 1,000+ hours PIC multi-engine time
- 500+ hours as PIC on the ATR72 aircraft family
- Flown as PIC on ATR72 family within the last 30 months
- Below the age 62 when joining the airline

The airline reimburses travel expenses (air and hotel) to all accepted candidates out of Sao Paulo.
