IndiGo Airlines A320 Captain Technical Requirements

Candidates must:

- hold a recognized ATPL and a Class 1 medical certificate with a command type rating on the A320 aircraft;
- have a minimum of 5,000 hours total time with 2,000 hours PIC multi-engine time and at least 500 hours as PIC on a variant of the A320 aircraft family;
- have flown a variant of the A320 within the last 30 months;
- be less than age 62 when joining the airline.

Candidates who have not flown the A320 within the last 30 months are acceptable under the following conditions:

- Meet the above requirements with the exception of the currency requirement;
- Successfully complete the pre-medical and simulator assessment;
- Sign an employment contract with IndiGo subject to obtaining the necessary ATPL qualifications to fly in India;
- Complete A320 recurrent training at candidate expense (about 5,500 US\$);
- Recurrent training will be reimbursed by airline subject to a training bond after joining.

These requirements represent minimums; preference is given to the most experienced candidates at the moment of selection.

The airline reimburses travel expenses (air and hotel) to all accepted candidates out of Sao Paulo.
